

# Sri Padhmam Consultancy & Training: WhatsApp Group

## Few Guidelines to follow please!

1. Kindly post only **authentic** information – where you are sure, that they are not rumours!
2. Our group is having members from different companies, with different back-ground and with abundance of experience! If **queries** shall be raised we may get appropriate answers from other members!
3. Let us share only **Technical related and HR related** information!
4. Humour is good, but let us give **lesser importance for jokes!**
5. Sentiments shall please be respected! Let us **not hurt anybody's believes and feelings**, including religious sentiments!
6. **Small lines** instead of bigger paragraphs will kindle more interest to read!
7. **Smaller sized videos** shall please be shared more than the bigger ones!
8. Morning hours are mostly busy hours! Hence, let us post the information and Queries **generally after 12 noon!** ( Keeping IST in mind as of now ! )
9. Tracking the proceedings, we will facilitate you with **further guidelines**, as needed!
10. **We wish to have a matured and valuable group to Share & Care each other! Not just yet another Group** in WhatsApp!

**Best wishes for a great progress in every dimension !!**
