A GIFT

Just for you

What do they mean ?

During our workshops, many terms and concepts are discussed. Our learners are making us to think deeply and differently !

We are proud to share those details here – enable you to update yourself !

What do they mean ?

Rework

Action on a nonconforming product or service to make it conform to the requirements

Eg. : Correction on a part to satisfy the drawing requirement(s)

Repair

Action on a nonconforming product or service to make it acceptable for the intended use

Eg. : Correction on a part to bring it back to the working condition

Both are part of COPQ

What do they mean ?

Effectiveness

Plan vs what is achieved

Eg. : 19 activities completed in phase II of APQP, against 21 in the checklist

Efficiency

Output to input ratio

Eg. : All the 19 NPD activities (Phase II) are completed on time in the NPD, using 3 person days, against the original plan of 4 person days allotted by the APQP team leader
